In order to figure out how well you need to do in order to "pass" the AP exam, use the following steps. 1. Multiply the number of correct multiple-choice answers by 1.125. 2. Take the total and subtract 0.25 for each incorrect multiple-choice answer. 3. Multiply the DBQ score (1-9) by 4.5 and add it to the total. 4.

Study guide and review for Advanced Placement United States History for the student serious about doing well in the course. It serves as a great resource either while going through the course, or at the end of the course as a review before the AP exam. This book is directly aligned with "American Pageant" (15th Edition) so the student will do as well as possible during the course. Included are detailed outlines. The outlines link directly to each chapter and to each chapter's sub-sections, thus making it great for a student taking U.S. History and using Bailey and Kennedy's "American Pageant" as his or her main text and who strives to excel in the course. Note: this is the ebook/epub/ipad version.

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, "Contending Voices," offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1741); Volume 1: To 1877 (Chapters 1722); Volume 2: Since 1865 (Chapters 22741). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

First published in 1829, Walker's Appeal called on slaves to rise up and free themselves. The two subsequent versions of his document (including the reprinted 1830 edition published shortly before Walker's death) were increasingly radical. Addressed to the whole world but directed primarily to people of color around the world, the 87-page pamphlet by a free black man born in North Carolina and living in Boston advocates immediate emancipation and slave rebellion. Walker asks the slaves among his readers whether they wouldn't prefer to "be killed than to be a slave to a tyrant." He advises them not to "trifle" if they do rise up, but rather to kill those who would continue to enslave them and their wives and children. Copies of the pamphlet were smuggled by ship in 1830 from Boston to Wilmington, North Carolina, Walker's childhood home, causing panic among whites. In 1830, members of North Carolina's General Assembly had the Appeal in mind as they tightened the state's laws dealing with slaves and free black citizens. The resulting stricter laws led to more policies that repressed African Americans, freed and slave alike. A DOCSOUTH BOOK. This collaboration between UNC Press and the University of North Carolina at Chapel Hill Library brings classic works back into print. DocSouth Books editions are selected from the digital library of Documenting the American South and are unaltered from the original publication. The DocSouth series uses digital technology to offer e-books and print-on-demand publications, providing affordable and accessible editions to a new generation of scholars, students, and general readers.

This hugely influential work marked a turning point in US history and culture, arguing that the nation's expansion into the Great West was directly linked to its unique spirit: a rugged individualism forged at the juncture between civilization and wilderness, which – for better or worse – lies at the heart of American identity today. Throughout history, some books have changed the world. They have transformed the way we see ourselves – and each other. They have inspired debate, dissent, war and revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives – and destroyed them. Now Penguin brings you the works of the great thinkers, pioneers, radicals and visionaries whose ideas shook civilization and helped make us who we are.

REA's Crash Course for the AP® U.S. History Exam – Gets You a Higher Advanced Placement® Score in Less Time Completely Revised for the 2015 Exam! Crash Course is perfect for the time-crunched student, the last-minute studier, or anyone who wants a refresher on the subject. Are you crunched for time? Have you started studying for your Advanced Placement® U.S. History exam yet? How will you memorize everything you need to know before the test? Do you wish there was a fast and easy way to study for the exam AND boost your score? If this sounds like you, don't panic. REA's Crash Course for AP® U.S. History is just what you need. Our practice exam features timed testing, detailed explanations of answers, and automatic scoring analysis. The exam is balanced to include every topic and type of question found on the actual AP® exam, so you know you're studying the smart way. Whether you're cramming for the test at the last minute, looking for extra review, or want to study on your own in preparation for the exams - this is the study guide every AP® U.S. History student must have. When it's crucial crunch time and your Advanced Placement® exam is just around the corner, you need REA's Crash Course for AP® U.S. History!

It is the best known book about American slavery, and was so incendiary upon its first publication in 1852 that it actually ignited the social flames that led to Civil War less than a decade later. What began as a series of sketches for the Cincinnati abolitionist newspaper The National Era scandalized the North, was banned in the South, and ultimately became the bestselling novel of the 19th century. Today, controversy over this melodramatic tale of the dignified slave Tom, the brutal plantation owner Simon Legree, and Stowe's other vividly drawn characters continues, as modern scholars debate the work's newly appreciated feminist undertones and others decry it as the source of enduring stereotypes about African Americans. As one of the most influential books in U.S. history, it deserves to be read by all students of literature and of the American story. American abolitionist and author HARRIET BEECHER STOWE (1811-1896) was born in Connecticut, daughter of a Congregationalist minister and sister to abolitionist theologian Henry Ward Beecher. She wrote more than two dozen books, both fiction and nonfiction.
