When Wesley Boone writes a poem for his high school English class, some of his classmates clamor to read their poems aloud too. Soon they're having weekly poetry sessions and, one by one, the eighteen students are opening up and taking on the risky challenge of self-revelation. There's Lupe Alvarin, desperate to have a baby so she will feel loved. Raynard Patterson, hiding a secret behind his silence. Porscha Johnson, needing an outlet for her anger after her mother OD's. Through the poetry they share and narratives in which they reveal their most intimate thoughts about themselves and one another, their words and lives show what lies beneath the skin, behind the eyes, beyond the masquerade.

Her name is Jazmin, and like the music of her name, her life throbs and swings—a few flat notes to be sure, but also bursting with rich passages that rise and soar. Sitting on her stoop she fills her notebook with laughs, anger, and hope. There's the risky lure of "luscious-looking" men and the consequences of free haircuts. This is a fourteen-year-old so-real girl living in Harlem in the 1960's, "born with clenched fists" and big dreams, and strengthened by the love of a steadfast sister. Captured within pages of her tough, exuberant life are all the beauty, chaos, confusion, and clarity that accompany the excitement of exploring life's possibilities—and discovering they are endless.

grow."--Laurie Halse Anderson, author of *Speak* and *Shout* "[A] testimony and a triumph."--Jason Reynolds, author of *Long Way Down* In her own voice, acclaimed author and poet Nikki Grimes explores the truth of a harrowing childhood in a compelling and moving memoir in verse. Growing up with a mother suffering from paranoid schizophrenia and a mostly absent father, Nikki Grimes found herself terrorized by babysitters, shunted from foster family to foster family, and preyed upon by those she trusted. At the age of six, she poured her pain onto a piece of paper late one night - and discovered the magic and impact of writing. For many years, Nikki's notebooks were her most enduring companions. In this accessible and inspiring memoir that will resonate with young readers and adults alike, Nikki shows how the power of those words helped her conquer the hazards - ordinary and extraordinary - of her life.

From the National Book Award–winning author of *The Absolutely True Diary of a Part-Time Indian*, the tale of a troubled boy’s trip through history. Half Native American and half Irish, fifteen-year-old “Zits” has spent much of his short life alternately abused and ignored as an orphan and ward of the foster care system. Ever since his mother died, he’s felt alienated from everyone, but, thanks to the alcoholic father whom he’s never met, especially disconnected from other Indians. After he runs away from his latest foster home, he makes a new friend. Handsome, charismatic, and eloquent, Justice soon persuades Zits to unleash his pain and anger on the uncaring world. But picking up a gun leads Zits on an unexpected time-traveling journey through several violent moments in American history, experiencing life as an FBI agent during the civil rights movement, a mute Indian boy during the Battle of Little Bighorn, a nineteenth-century Indian tracker, and a modern-day airplane pilot. When Zits finally returns to his own body, “he begins to understand what it means to be the hero, the villain and the victim. . . . Mr. Alexie succeeds yet again with his ability to pierce to the heart of matters, leaving this reader with tears in her eyes” (*The New York Times Book Review*). Sherman Alexie’s acclaimed novels have turned a spotlight on the unique experiences of modern-day Native Americans, and here, the *New York Times*–bestselling author of *The Lone Ranger and Tonto Fistfight in Heaven* and *The Absolutely True Diary of a Part-Time Indian* takes a bold new turn, combining magical realism with his singular humor and insight. This ebook features an illustrated biography of Sherman Alexie including rare photos from the author’s personal collection.

As the youngest marcher in the 1965 voting rights march from Selma to Montgomery, Alabama, Lynda Blackmon Lowery proved that young adults can be heroes. Jailed nine times before her fifteenth birthday, Lowery fought alongside Martin Luther King, Jr. for the rights of African-Americans. In this memoir, she shows today's young readers what it means to fight nonviolently (even when the police are using violence, as in the Bloody Sunday protest) and how it felt to be part of changing American history.

Three boys struggle to come to terms with the death of a friend in a drunk-driving auto accident in which all four were involved, in a story told through newspaper stories, diary entries, school announcements, telephone conversations, and classroom assignments.

Bobby's a classic urban teenager. He's restless. He's impulsive. But the thing that makes him different is this: He's going to be a father. His girlfriend, Nia, is pregnant, and their lives are about to change forever. Instead of spending time with friends, they'll be spending time with doctors, and next, diapers. They have options: keeping the baby, adoption. They want to do the right thing. If only it was clear what the right thing was.

Inconsolable at being separated from her older brother, eight-year-old Paris is apprehensive about her new foster family but just as she learns to trust them, she faces a life-changing decision. A Coretta Scott King Honor Book. Reprint.

Designed to facilitate teachers' efforts to meet the actual challenges and dilemmas they face in their classrooms, *Becoming a Teacher Researcher in Literacy Teaching and Learning*: provides background information and key concepts in teacher research covers the "how-to" strategies of the teacher research process from the initial proposal to writing up the report as publishable or presentable work illustrates a range of literacy topics and grade levels features twelve reports by teacher researchers who have gone through the process, and their candid remarks about how activities helped (or not) helps teachers understand how knowledge is constructed socially in their classrooms so that they can create instructional communities that promote all students' learning. Addressing the importance of teacher research for better instruction, reform, and political action, this text emphasizes strategies teachers can use to support and strengthen their voices as they dialogue with others in the educational community, so that their ideas and perspectives may have an impact on educational practice both locally in their schools and districts and more broadly.

A young girl who loves Double Dutch is caught in the crossfire of the secrets she, her best friend, and the school bullies are keeping in this emotional middle grade novel. Delia loves Double Dutch more than just about anything, and she's really good at it—so good she and her teammates have a shot at winning the World Double Dutch Championships. Delia would die if she couldn't jump—but she's hiding something could keep her off the team next year. Delia's friend Randy has a secret too, one that has him lonely and scared. And while Delia and Randy struggle to hide parts of themselves, their school is abuzz with rumors about what malicious mischief the terrible Tolliver twins—who just may have a hidden agenda of their own—are planning. Delia and Randy's secrets collide on what should be the happiest day of Delia's life, and the collision threatens to destroy their friendship. Why can't life be as easy for Delia as Double Dutch?
