Buried in a Bog (County Cork, #1) by Sheila Connolly

But past events begin to surface, and Maura is suddenly swept up into a mystery involving a long-buried family secret. A mysterious man seems to be stalking Maura, making her question why someone is trying to scare her away. Buried In a Bog (County Cork series Book 1) was a story of community, secrets, and the strength of family bonds. I enjoyed it, although it seemed as though many things came together rather serendipitously for Maura.

☐Buried in a Bog on Apple Books  
A bog body is a human cadaver that has been naturally mummified in a peat bog. Such bodies, sometimes known as bog people, are both geographically and chronologically widespread, having been dated to between 8000 BCE and the Second World War. The unifying factor of the bog bodies is that they have been found in peat and are partially preserved; however, the actual levels of preservation vary widely from perfectly preserved to mere skeletons. Unlike most ancient human remains, bog bodies often re
