He would defy the boundaries of time for one night in her arms . . . He was a mighty Scottish warrior who lived in a world bound by ancient laws and timeless magic. But no immortal powers could prepare the laird of Castle Brodie for the lovely accursed lass who stood before him. A terrible trick of fate had sent her 700 years back in time and into his private chamber to tempt him with her beauty—and seduce him with a desire he could never fulfill. For this woman he burned to possess was also the woman he had sworn to destroy. When Lisa felt the earth move under her feet, the fiercely independent 21st-century woman never dreamed she was falling . . . into another century. Or that this man who had long ago forsaken love would defy time itself to claim her for his own. . . .

When he is attacked while on his way to claim the hand of a neighboring chieftain's daughter, Alaric McCabe is rescued by Keeley McDonald, an outcast from her own clan, and when they fall in love, he faces a difficult choice.
