stroke of luck An unexpected fortunate occurrence. Meeting my favorite  
celebrity at the airport was certainly a stroke of luck that wouldn't  
have happened if I'd arrived five minutes later. I worked very hard on  
the script, but getting to pitch it to the producer in the elevator  
was just a stroke of luck.

With A Stroke of Luck, the journey to a fuller life continues because we truly care, and create positive communities. Introducing physical activity into a stroke survivor's daily life increases the sense of wellbeing and by connecting stroke survivors and personal trainers, we can work together to develop a healthier body and mind. This is exactly what A Stroke of Luck does.

Stroke Charity UK | Exercise Based Recovery | A Stroke of Luck

In My Stroke of Luck, Barnes recounts her experience of having a stroke, her path to recovery, and more. In a spellbinding and funny look at love, family, and seemingly insurmountable obstacles, Barnes shares her story: a single adoptive mother of special needs and gifted tween sons, who forges a new identity after a debilitating stroke.

My stroke taught me so much, and for all that it stole, it gave me even more. In the process of healing, my life has changed for the better. Now I want to share what I have learned. In this vivid and very personal reflection upon his extraordinary life as an actor, author, and legend in his own time, Kirk Douglas offers a candid and heartfelt memoir of where it all went right in his life -- even after suffering a debilitating stroke. Revealing not only the incredible physical and emotional toll of his stroke but how it has changed his life for the better, Douglas shares the lessons that saved him and helped him to heal. Alongside his heartfelt advice and insight, he also recalls warm memories of some of the most famous figures of our time -- including Burt Lancaster, Michael J. Fox, and Gary Cooper -- as well as others who have soared to greatness in the face of adversity. Charming, soulful, and filled with personal photographs, *My Stroke of Luck* is an intimate look at the real person behind the fabulous talent -- and at a life lived to its very fullest.

This book chronicles four years of my ongoing journey from self-pity

to laughing at predicaments from my inconvenient stroke. Humor found in everyday occurrences continues to this day. A stroke changes the life of the survivor forever, subtly or catastrophically. One determines if she will be the kicker or the kickee. I chose to be the kicker and will laugh my way through these challenges, come hell or high water. I hope you enjoy my journey and see that, stressors be damned, there's always room for the healing power of laughter in overcoming any of life's predicaments.

A Good Housekeeping Best Book of the Year "Every sentence shines with wit, originality, and sharp observations." --The Boston Globe A razor-sharp, deeply felt novel about the complicated relationship between a charismatic teacher and his students, and the secrets we keep from those we love At a boarding school in New Hampshire, Ben joins the honor society led by Pierre LaVerdere, an enigmatic, brilliant, yet perverse, teacher who instructs his students not only about how to reason, but how to prevaricate. As the years go by, LaVerdere's covert and overt instruction lingers in his students' lives as they seek some sense of purpose or meaning. When Ben feels the pace of his life accelerating and views his intimate relationships as less and less fulfilling, there seems to be a subtext he's not able to access. And what, really, did Bailey Academy teach him? While relationships with

## Access Free My Stroke Of Luck

his stepmother and sister improve, and a move to upstate New York offers respite from his anxiety about love and work, LaVerdere's reappearance in his life disturbs his equilibrium. Everything he once thought he knew about his teacher--and himself--is called into question. Written by one of our most iconic writers, known for casting a cold eye on her generation's ambivalence and sometimes mistaken ambition, *A Wonderful Stroke of Luck* is a keenly observed psychological study of a man who alternates between careful driving and hazardous risk taking, as he struggles to incorporate his past into the vertiginous present.

When an occupational therapist suffers a massive stroke while attending a wedding in her native England, she can't believe it. Janet R. Douglas emerges from a coma weeks later at a Chicago hospital where she once worked. Her left side is totally paralyzed, her eyesight impaired, her memory and identity lost. Trapped in the present, she finds herself talking in German even though she has seldom spoken the language since high school. With no understanding of the severity of her problems, she resists therapy, thinking she doesn't need it. Despite all odds, she returns to her high-powered job only to find

herself cast adrift by a corporate reorganization. With time on her hands, she carries out her own research to find out how damage to one specific part of the brain affects behavior. From the perspective of both therapist and patient, Douglas explains the impact of stroke, how it makes the simplest tasks difficult, and how the visible disabilities it causes are just the tip of the iceberg. Join Douglas on a decade-long quest to recapture her identity so she can once again enjoy family, work, and travel in *A Wonderful Stroke of Luck*.

Known internationally and across generations for playing the indomitable Spartacus, topping international bestseller lists, and building parks and schools in troubled communities, Kirk Douglas is a legend in his own time and serves as an inspiration to us all. Now, in *My Stroke of Luck*, Kirk Douglas finally completes his story by offering a candid and heartfelt memoir of where it all went right. Writing in his own words, Douglas offers tender vignettes in tribute to the childhood that shaped him, the wife and devoted family who supported him, and the life-changing event that helped him to appreciate the gifts given to him over his eighty-three years. Touching and funny, inspiring and uplifting, Kirk Douglas traces how his greatest setback became a source of strength and renewal -- leading him to find the eighth decade of his life the most fulfilling

yet.

"Transformative...[Taylor's] experience...will shatter [your] own perception of the world."—ABC News The astonishing New York Times bestseller that chronicles how a brain scientist's own stroke led to enlightenment On December 10, 1996, Jill Bolte Taylor, a thirty-seven-year-old Harvard-trained brain scientist experienced a massive stroke in the left hemisphere of her brain. As she observed her mind deteriorate to the point that she could not walk, talk, read, write, or recall any of her life—all within four hours—Taylor alternated between the euphoria of the intuitive and kinesthetic right brain, in which she felt a sense of complete well-being and peace, and the logical, sequential left brain, which recognized she was having a stroke and enabled her to seek help before she was completely lost. It would take her eight years to fully recover. For Taylor, her stroke was a blessing and a revelation. It taught her that by "stepping to the right" of our left brains, we can uncover feelings of well-being that are often sidelined by "brain chatter." Reaching wide audiences
