Microsoft Excel Tutorial for Beginners | Excel Training | Excel Formulas and Functions | Edureka **Shopping Mall Management Manual** by John Highman. When you lease or manage a retail investment property or shopping center, the creation and use of an operations manual will be very helpful from both a tenant and customer perspective. The standard events in the property can be set for ongoing reference and control. The use of a manual of this type is also a good 'risk management tool' from an insurance perspective; that will then benefit the landlord in 'risk control.'
