Bob Slocum was a promising executive. He had an attractive wife, three children, a nice house, and as many mistresses as he desired. His life was settled and ordered; he had conformed and society demanded he be happy - or at least pretend to be, But the pretence was becoming more and more difficult, as Slocum's discontent grew into an overwhelming sense of desolation, frustration and fear. And then something happened. . .

Joseph Heller's powerful, wonderfully funny, deeply moving novel is the story of David -- yes, King David -- but as you've never seen him before. You already know David as the legendary warrior king of Israel, husband of Bathsheba, and father of Solomon; now meet David as he really was: the cocky Jewish kid, the plagiarized poet, and the Jewish father. Listen as David tells his own story, a story both relentlessly ancient and surprisingly modern, about growing up and growing old, about men and women, and about man and God. It is quintessential Heller.

recuperation from the author of the classic *Catch-22*. It all began one typical day in the life of Joe Heller. He was jogging four miles at a clip these days, working on his novel *God Knows*, coping with the complications of an unpleasant divorce, and pigging out once or twice a week on Chinese food with cronies like Mel Brooks, Mario Puzo, and his buddy of more than twenty years, Speed Vogel. He was feeling perfectly fine that day—but within twenty-four hours he would be in intensive care at Manhattan's Mount Sinai Hospital. He would remain hospitalized for nearly six months and leave in a wheelchair. Joseph Heller had Guillain-Barré syndrome, a debilitating, sometimes fatal condition that can leave its victims paralyzed from head to toe. The clan gathered immediately. Speed—sometime artist, sometime businessman, sometime herring taster, and now a coauthor—moved into Joe's apartment as messenger, servant, and shaman. Mel Brooks, arch-hypochondriac of the Western world, knew as much about Heller's condition as the doctors. Mario Puzo, author of the preeminent gangster novel of our time, proved to be the most reluctant man ever to be dragged along on a hospital visit. These and lots of others rallied around the sickbed in a show of loyalty and friendship that not only built a wild and spirited camaraderie but helped bring Joe Heller, writer and buddy extraordinaire, through his greatest crisis. This book is an inspiring, hilarious memoir of a calamitous illness and the rocky road to recuperation—as only the author of *Catch-22* and the friend who helped him back to health could tell it. *No Laughing Matter* is as wacky, terrifying, and greathearted as any fiction Joseph Heller ever wrote.

A darkly comic and ambitious sequel to the American classic *Catch-22*. In *Closing Time*, Joseph Heller returns to the characters of *Catch-22*, now coming to the end of their lives and the century, as is the entire generation that fought in World War II: Yossarian and Milo Minderbinder, the chaplain, and such newcomers as little Sammy Singer and giant Lew, all linked, in an uneasy peace and old age, fighting not the Germans this time, but *The End*. *Closing Time* deftly satirizes the realities and the myths of America in the half century since WWII: the absurdity of our politics, the decline of our society and our great cities, the greed and hypocrisy of our business and culture -- with the same ferocious humor as *Catch-22*. *Closing Time* is outrageously funny and totally serious, and as brilliant and successful as *Catch-22* itself, a fun-house mirror that captures, at once grotesquely and accurately, the truth about ourselves.

The New York Times bestselling writer Tracy Daugherty illuminates his most vital subject yet in this first biography of the *Catch-22* author Joseph Heller. Joseph Heller was a Coney Island kid, the son of Russian immigrants, who went on to great fame and fortune. His most memorable novel took its inspiration from a mission he flew over France in WWII (his plane was filled with so much shrapnel it was a wonder it stayed in the air). Heller wrote seven novels, all of which remain in print. Something

Happened and Good as Gold, to name two, are still considered the epitome of satire. His life was filled with women and romantic indiscretions, but he was perhaps more famous for his friendships—he counted Mel Brooks, Zero Mostel, Carl Reiner, Kurt Vonnegut, Norman Mailer, Mario Puzo, Dustin Hoffman, Woody Allen, and many others among his confidantes. In 1981 Heller was diagnosed with Guillain-Barré Syndrome, a debilitating syndrome that could have cost him his life. Miraculously, he recovered. When he passed away in 1999 from natural causes, he left behind a body of work that continues to sell hundreds of thousands of copies a year. Just One Catch is the first biography of Yossarian's creator.
