A brand new series of adventures for the Doctor and her TARDIS team! The Doctor and her friends find themselves in terrible danger in a psychic forest, and discover a threat as old as time itself, in the first of four linked adventures for Team TARDIS. Written in the form of a diary, with entries from Ryan, Graham and Yaz, and illustrated throughout, this new series is perfect for young fans of Doctor Who.

For this new edition of The Writer's Tale, Russell T Davies and Benjamin Cook expand their in-depth discussion of the creative life of Doctor Who to cover Russell's final year as Head Writer and Executive Producer of the show, as well as his work behind the increasingly successful Torchwood and The Sarah Jane Adventures spin-offs. Candid and witty insights abound throughout two years' worth of correspondence, covering David Tennant's last episodes as the Doctor and the legacy that Russell and David leave behind as a new era of Doctor Who begins. With over 300 pages of new material, and taking in events from the entire five years since the show's return in 2005, The Writer's Tale: The Final Chapter is the most comprehensive - and personal - account of Doctor Who ever published.
