The Courage To

Be Paul Tillich

and the dawn of the nuclear age. One of the key events in his early life was the First World War, during which he served the German army as a Chaplain. He survived that war, and his early works grew out of the optimistic and creative zeitgeist that emerged in its wake. Before he turned 60, he had survived the Second

Read Online The Courage To

World War as well. His later work might be seen as a reaction to the pessimism and anxiety triggered by that conflict ' s atrocities and by technological advancements capable of extinguishing life on this planet. Tillich always lived his life on boundaries. He straddled 19th and 20th centuries, feeling at home in both,

Read Online

The Courage To

but never quite feeling as if he fully belonged to either. If such a boundary existence created anxiety for him, it also brought him both intellectual and personal satisfaction. He believed that, to fully live, one must do so on the boundary. While the works of other existentialist philosophers have been applied to education,

The Courage To

notice of whatever scares them. Others mask their fear with fighting and quarrelsomeness. The root of all of this fear is the fear that we might lose our belonging in whatever tribe in which we seek safety, the fear that we might have to stand alone. The crisis we face is not a crisis of clarity but a crisis of courage. Our problem is

Read Online

The Courage To

not so much a lack of knowledge as a lack of nerve. And yet, Jesus told us that we are to stand with courage. That doesn ' t mean that we will be fearless, but that we will know how to face our fear and keep walking toward the voice that calls us homeward. Gospel courage is nothing like the bravado of this anxious age. The
