They have their sights sets on building a resort village for seniors, but that's going to take money. Lots of money. While stalking their millionaire neighbor, Carl, on Facebook, Anna-Gretta scrolls through his photos--all of them featuring luxury yachts on the Riviera--and an idea comes to her on how to solve the League's cash problem. When she shares the hare-brained scheme with the others, they're all aboard. Their plan to cheat billionaires out of their luxury yachts in the south of France's sun-bleached Saint-Tropez soon turns into the heist of their lives with the police hot on their heels--as well as a couple of ruthless ex-cons. Now this wily group of walker-equipped conspirators are hell-bent on accomplishing their dangerous mission--no matter the consequences...
