Press 1 for technical support. Press 2 for broken hearts. Press 3 if your life has totally crashed. . . . Six friends work nights at a call center in India, providing technical support for a major U.S. appliance corporation. Skilled in patience – and accent management – they help American consumers keep their lives running. Yet behind the headsets, everybody ' s heart is on the line. Shyam (Sam to his callers) has lost his self-confidence after being dumped by the girl who just so happens to be sitting next to him. Priyanka ' s domineering mother has arranged for her daughter ' s upscale marriage to an Indian man in Seattle. Esha longs to be a model but discovers it ' s a horizontal romp to the runway. Lost, dissatisfied Vroom has high ideals, but compromises them by talking on the phone to idiots each night. Traditional Radhika has just found out that her husband is sleeping with his secretary. And Military Uncle (nobody knows his real name) sits alone working the online chat. They all try to make it through their shifts – and maintain their sanity – under the eagle eye of a boss whose ego rivals his incompetence. But tonight is no ordinary night. Tonight is Thanksgiving in America: Appliances are going haywire, and the phones are ringing off their hooks. Then one call, from one very special caller, changes everything. Chetan Bhagat ' s delicious romantic comedy takes us inside the world of the international call center, where cultural cross-wires come together with perfect pathos, hilarity, and spice.

Set in IIT, in the early '90s, Five Point Someone portrays the lives of the protagonist Hari and his two friends Ryan and Alok. It explores the darker side of IIT, one in which students- having worked for years to make it into the institute-struggle to maintain their grades, keep their friends and have some kind of life outside studies.

Keshav has set up an investigation agency with his best friend, Saurabh. Can the two amateur detectives successfully solve another murder case that affects them personally? And where will it leave their friendship? 'Ever since you found Prerna, I lost my best friend' is what I told Saurabh. Hi, this is Keshav, and Saurabh, my best friend, flatmate, colleague and business partner, won't talk to me. Because I made fun of him and his fiancé, Saurabh and Prerna will be getting married soon. It is an arranged marriage. However, there is more cheesy romance between them than any love-marriage couple. On Karva Chauth, she fasted for him. She didn't eat all day. In the evening, she called him and waited on the terrace for the moon and for Saurabh to break her fast. Excited, Saurabh ran up the steps of her three-storey house. But when he reached ... Welcome to One Arranged Murder, an unputdownable thriller from India's highest-selling author. A story about love, friendship, family and crime. It will keep you entertained and hooked right till the end.

Why don't we feel the moment when we fall in love but always remember when it ends? Akash is young, single and conservative with a preference for girls with brains than in miniskirts. One day, he runs into free-spirited Aleesha at a local discotheque. A mass-media student, Aleesha is a pampered brat, the only child of her parents who dote on her. This brief meeting leads them to exchange their BlackBerry PINs and they begin chatting regularly. As BlackBerry plays cupid, they fall in love. When they hit a rough patch in their life, Aditya, Akash's close pal, guides them through it. But just when they are about to take their relationship to the next level, a sudden misfortune strikes. Can Aditya bring Akash's derailed life back on track? It Started with a Friend Request is a true story which will make you believe in love like never before.

#1 INTERNATIONAL BESTSELLER AN ADAM SAVAGE BOOK CLUB PICK The book-length answer to anyone who ever put their hand up in math class and asked, “ When am I ever going to use this in the real world? ” “ Fun, informative, and relentlessly entertaining, Humble Pi is a charming and very readable guide to some of humanity's all-time greatest miscalculations—that also gives you permission to feel a little better about some of your own mistakes. ” —Ryan North, author of How to Invent Everything Our whole world is built on math, from the code running a website to the equations enabling the design of skyscrapers and bridges. Most of the time this math works quietly behind the scenes . . . until it doesn't. All sorts of seemingly innocuous mathematical mistakes can have significant consequences. Math is easy to ignore until a misplaced decimal point upends the stock market, a unit conversion error causes a plane to crash, or someone divides by zero and stalls a battleship in the middle of the ocean. Exploring and explaining a litany of glitches, near misses, and mathematical mishaps involving the internet, big data, elections, street signs, lotteries, the Roman Empire, and an Olympic team, Matt Parker uncovers the bizarre ways math trips us up, and what this reveals about its essential place in our world. Getting it wrong has never been more fun.

'My daughter Siya was kidnapped. Nine months ago, ' Alia said. The police had given up. They called it a cold case. Even the rest of her family had stopped searching. Alia wouldn't stop looking, though. She wanted to know if I could help her. Hi, I am Keshav Rajpurohit and I am a disappointment to everyone around me. I live with my parents, who keep telling me how I should a) get married, b) focus on my IPS exams, c) meet more people and d) close my detective agency. But Alia Arora, neighbour and ex-model, wanted my help. And I couldn't take my eyes off her face ... I mean, her case. Welcome to 400 Days. A mystery and romance story like none other. An unputdownable tale of suspense, human relationships, love, friendship, the crazy world we live in and, above all, a mother's determination to never give up. From India's highest-selling author comes a page-turner that will not only keep you glued to the story but also touch you deeply.

Love your country? Want to make it truly great? Tired of loud debates and complex arguments which lead to no solutions? Welcome to MAKING INDIA AWESOME. Following the phenomenal success of his first non-fiction book, What Young India Wants, Chetan Bhagat, the country's biggest-selling writer, returns with another book of essays in which he analyses and provides inspired solutions to the country's most intractable problems-poverty, unemployment, corruption, violence against women, communal violence, religious fundamentalism, illiteracy and more. Using simple language and concepts, this book will enable you to understand the most complex of problems facing the nation today and give practical solutions on how you can do your part to solve them.
