At You Be You we're committed to changing the way society thinks, acts and feels around gender stereotypes. We're starting with schools, by designing research- informed PHSE lessons beginning at year 1. But we know our work can't stop in the classroom, it needs to work across the whole school and stretch beyond the school gates.

Dionne - You Be You (Official Music Video) - YouTube

You Be You is an award winning organisation working with schools and parents to break down gender stereotypes through lessons, role model videos and fun educational home activity boxes. Why do we exist? Gender stereotypes harm us all. When we work with children in primary schools, we can already see that harm at work.

You Be You – Teen Mental Health

In You Be You, beloved podcast host and author Jamie Ivey reveals that the abundant life you want is closer than you think. It's not over there in someone else's life. No. It's right here, right now, in your life as it already is—you just have to know how to take hold of it. And in this book, Jamie shows you how to: Throw out false definitions of success Give up the idea that you must ...

After exploring his ocean home and seeing many different types of sea life, a young fish named Adri talks to his parents and learns that differences make the world colorful and beautiful.

Be curious...Be adventurous...Be brave...BE YOU! Discover a joyful reminder of the ways that every child is unique and special, from the beloved creator of The Dot, Happy Dreamer, and New York Times bestseller, The Word Collector. Here, Reynolds reminds readers to "be your own work of art." To be patient, persistent, and true. Because there is one, and only one, YOU. In the tradition of books like Oh, the Places You'll Go! and I Wish You More comes a wholly original, inspirational celebration of individuality as only Peter H. Reynolds can create!

As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps.

Despite the differences between people around the world, there are similarities that join humanity together, such as pain, joy, and love. On board pages.

Adri promises to remember his parents' words of wisdom about how to live his life, such as "Find your own way. You don't have to follow the crowd" and "Make wishes on the stars in the nighttime sky."

The #1 New York Times bestselling children's book Amy Krouse Rosenthal and Tom Lichtenheld have combined their extraordinary talents to create an inspirational book that's full of endless good wishes. Wishes for curiosity and wonder, for friendship and strength, laughter and peace. Whether celebrating life's joyous milestones, sharing words of encouragement, or observing the wonder of everyday moments, this sweet book is for wishers of all ages! I Wish You More is the perfect graduation gift as well as a must-have, uplifting read sure to bring positivity to all who read it.

From the New York Times bestselling author of The Life-Changing Magic of Not Giving a F*ck and Get Your Sh*t Together comes more straight talk about how to stand up for who you are and what you really want, need, and deserve -- showing when it's okay to be selfish, why it's pointless to be perfect, and how to be "difficult." Being yourself should be easy, yet too many of us struggle to live on other people's terms instead of our own. Rather than feeling large and in charge, we feel little and belittled. Sound familiar? Bestselling "anti-guru" Sarah Knight has three simple words for you: YOU DO YOU. It's time to start putting your happiness first -- and stop letting other people tell you what to do, how to do it, or why it can't be done. And don't panic! You can do it without losing friends and alienating people. Knight delivers her trademark no-bullsh*t advice about: The Tyranny of "Just Because" The social contract and how to amend it Turning "flaws" into strengths -- aka "mental redecorating" Why it's not your job to be nice Letting your freak flag fly How to take risks, silence the doubters, and prove the haters wrong Praise for Sarah Knight: "Genius." -- Cosmopolitan "Self-help to swear by." -- The Boston Globe "Hilarious... truly practical." -- Booklist

Gerald is careful. Piggie is not. Piggie cannot help smiling. Gerald can. Gerald worries so that Piggie does not have to. Gerald and Piggie are best friends. In The Thank You Book!, Piggie wants to thank EVERYONE. But Gerald is worried Piggie will forget someone . . . someone important.

Moonbeam Children's Book Awards Gold Medal Winner This is an illustrated children's book for ages 7-11 that makes gender identity, sexual orientation

and family diversity easy to explain to children. Throughout the book kids learn that there are many kinds of people in the world and that diversity is something to be celebrated. It covers gender, romantic orientation, discrimination, intersectionality, privilege, and how to stand up for what's right. With charming illustrations, clear explanations, and short sections that can be dipped in and out of, this book helps children think about how to create a kinder, more tolerant world.

Ben Horowitz, a leading venture capitalist, modern management expert, and New York Times bestselling author, combines lessons both from history and from modern organizational practice with practical and often surprising advice to help executives build cultures that can weather both good and bad times. Ben Horowitz has long been fascinated by history, and particularly by how people behave differently than you'd expect. The time and circumstances in which they were raised often shapes them—yet a few leaders have managed to shape their times. In *What You Do Is Who You Are*, he turns his attention to a question crucial to every organization: how do you create and sustain the culture you want? To Horowitz, culture is how a company makes decisions. It is the set of assumptions employees use to resolve everyday problems: should I stay at the Red Roof Inn, or the Four Seasons? Should we discuss the color of this product for five minutes or thirty hours? If culture is not purposeful, it will be an accident or a mistake. *What You Do Is Who You Are* explains how to make your culture purposeful by spotlighting four models of leadership and culture-building—the leader of the only successful slave revolt, Haiti's Toussaint Louverture; the Samurai, who ruled Japan for seven hundred years and shaped modern Japanese culture; Genghis Khan, who built the world's largest empire; and Shaka Senghor, a man convicted of murder who ran the most formidable prison gang in the yard and ultimately transformed prison culture. Horowitz connects these leadership examples to modern case-studies, including how Louverture's cultural techniques were applied (or should have been) by Reed Hastings at Netflix, Travis Kalanick at Uber, and Hillary Clinton, and how Genghis Khan's vision of cultural inclusiveness has parallels in the work of Don Thompson, the first African-American CEO of McDonalds, and of Maggie Wilderotter, the CEO who led Frontier Communications. Horowitz then offers guidance to help any company understand its own strategy and build a successful culture. *What You Do Is Who You Are* is a journey through culture, from ancient to modern. Along the way, it answers a question fundamental to any organization: who are we? How do people talk about us when we're not around? How do we treat our customers? Are we there for people in a pinch? Can we be trusted? Who you are is not the values you list on the wall. It's not what you say in company-wide meeting. It's not your marketing campaign. It's not even what you believe. Who you are is what you do. This book aims to help you do the things you need to become the kind of leader you want to be—and others want to follow.
